Triple 7 Glass Shine

ORGANIC 'GREEN' GLASS AND MIRROR CLEANER

Triple 7 Glass Shine is a high performance, organic glass and mirror cleaning solution that leaves surfaces clean and polished without using toxic chemicals.

How does Triple 7 Glass Shine benefit you?

- > Cleans and polishes without streaking
- > Highly concentrated - product lasts longer
- > Protects your health - no toxic cleaning fumes
- > Protects surfaces - no harsh chemicals to etch or corrode surfaces

What makes Triple 7 Glass Shine Genuine 'Green'?

- > High performance cleaning without harsh chemicals
- > Petroleum, caustic and ammonia free
- > Low allergy - no toxic fumes
- > Readily biodegradable - greater than 70% total ingredients biodegradable within 28 days
- > No ozone depleting chemicals including hydrocarbons
- > Contains non-ionic organic surfactants and ethanol drying agent

Where do you use Triple 7 Glass Shine?

Mirrors, windows, glass, instruments, photo cells, lenses and delicate crystal surfaces.

Testimonial - Sparkling Kitchens

" We use Triple 7 Glass Shine and it leaves windows sparkling clean and streak free. Our clients are more than satisfied."
