Triple 7 Mega Clean

ORGANIC 'GREEN' CLEANING AND ODOUR CONTROL

Triple 7 Mega Clean is a high performance organic cleaning solution that leaves surfaces clean and odour free without toxic or dangerous chemicals.

How does Triple 7 Mega Clean benefit you?

- > Leaves surfaces cleaner for longer
- > Eliminates odours and discourages mould growth
- > Highly concentrated - product lasts longer
- > Protects your health - no toxic cleaning fumes
- > Safe for all surfaces - no harsh chemicals
- > Destroys odours at their source
- > Safe for septic tanks and bio-based effluent systems

What makes Triple 7 Mega Clean Genuine 'Green'?

- > High performance cleaning without harsh chemicals
- > Phosphate, caustic and ammonia free
- > Low allergy - no toxic fumes
- > No strong masking fragrances - destroys odours at their source
- > Readily biodegradable - greater than 70% total ingredients biodegradable within 28 days
- > No ozone depleting chemicals including hydrocarbons
- > Organic listed (OMRI) - suitable for use in the production of organic food and fibre
- > Contains non-ionic organic surfactants
- > Environmentally responsible - made from renewable resources

Where do you use Triple 7 Mega Clean?

Floors, benches, seats, drains and grease traps.

Testimonial - Sparkling Kitchens

"I use Mega Clean in food preparation areas. The kitchens look fresh and clean. An excellent product, well worth buying. Thanks a million."

Caterer, VIC.

Triple 7 Mega Clean is free of petroleum products, glycol ethers, terpenes, strong acids, caustics, phosphates, lauryl sulphates and volatile organic compounds (VOC's).
